

PBC SuperWeek – What you need to know

Parents and SuperWeek Campers,

We want to equip you with the information you'll need whether you are bringing a first-time camper or making your last trip as a camper.

Pre-camp information

We've put together a suggested camper packing list that you can download and use. It will make an easy reference to make sure your campers have everything they'll need during the week.

Suggested Packing List:

Dress Code

As a Christian camp, we strive to model modest dress for both campers and staff. It is challenging in that these conversations either rely on a very subjective interpretation of "modesty" or arbitrary measurements that are not always equitably applied or appropriate to all body types. This can also reinforce to our campers that the length of their shorts is the only indicator of the modesty of their clothing.

If you are in doubt, you can use any of the common rules of thumb (4 inches above the knee, fingertip length, midpoint of the thigh, etc.) that are commonplace in most schools as a guideline or feel free to contact me regarding specifics.

Talent Exhibitions

Some campers may also want to participate in some of our talent exhibitions during SuperWeek's Got Talent events throughout the week. Remember to bring the necessary items for these activities. Right now, these are on the schedule for Tuesday, Thursday, and Friday evenings. Guidelines for these talent exhibitions can be found in the document linked below.

Getting to PBC

The address for Palmetto Bible Camp is 140 Fall Creek Road, Marietta, SC 29661.

This address should work in most GPS devices and apps.

Please be mindful driving through the residential area on Duckworth Road and slow down to an appropriate speed. The road is narrow and traffic may be heavy in both directions.

Sunday Schedule

Registration will open following staff breakfast (around 8:30am) Sunday morning and will remain open until the morning worship service starts at 10:00am. Following the morning chapel, we will resume check-in around 11:30am after the registration staff has had an opportunity to eat lunch and will continue until 4:00pm. We will try to stick closely to schedule, but sometimes things outside of our control may impact the schedule.

IMPORTANT:

Registration is NOT open after 4:00pm Sunday.

If you need to arrive after 4:00pm on Sunday, please let me know in advance so that we can make arrangements.

Lunch will be provided in the dining hall for all registered campers as part of the camper fee. Parents and guests will also be able to purchase lunch in the dining hall.

Please plan to arrive in the morning to join us for chapel or arrive after lunch to ensure that you have plenty of time to get registered and moved into your cabin before 4:30pm.

12:30			5:30	Dinner opens	

Finding your way around PBC

Here's a map to help you find your way around camp. There will be a lot of traffic on the roads going in and around cabins 1, 2, 3, 4, 5, and 678, but it should be pretty easy to pull a vehicle around to drop off bags. Be aware that the road up to 11 and 12 is narrow and only permits one-way traffic in most areas. For this reason, **it will remain closed to vehicle traffic**, and we will have a Gear available to help take luggage and bedding up the hill to 11 and 12.

Registration Process

IMPORTANT:

Campers must be present in the Ark to complete the registration process.

Camper registration occurs in the Upper Room of the Ark. The line forms at the bottom of the stairs in front of the PBC logo and moves up the stairs to the left. The online registration and medical forms must be completed for each camper **before** they can complete the registration process.

When you make it upstairs, payment status will be verified. If your account has an outstanding balance or you wish to add additional funds to the cashless camp system, you will be directed to the room in the back left to finalize payment. If you are fully paid, then you will be fast tracked through the remainder of the check-in process.

During the check-in process, the camper will pick up their nametag and we will take a picture of the camper. Please verify all information (name, gender, age, grade last completed, cabin and class assignments, t-shirt size, etc.) before leaving the Upper Room.

After registration is completed, you may move luggage into the cabin and select a bunk.

Prior to camp, please go online and make sure that all forms are completed and fees paid to make your registration process as quick as possible.

Cabins

IMPORTANT:

Please do not move your bags to a cabin before completing the registration process.

Being assigned to a cabin the previous year does not necessarily mean that you will be in that cabin again this year.

The age distribution within a cabin can also restrict us when trying to satisfy roommate requests. We have done our best to satisfy the roommate requests based on the age and grade submitted online during pre-registration prior to camp. Being in a specific cabin does not make you a “junior” or “senior” camper. Junior campers are aged 12 and under regardless of the cabin where their bed is located. Senior campers are aged 13 and older.

Cabins are assigned before camp by age. The youngest campers are in cabins 2 and 3. Cabins 1 and 678 (the Apartments) are the oldest senior cabins. Since the demographics of camp vary from year to year, the ages in each particular cabin can change from year to year.

Understanding the terminology we use at SuperWeek

We understand that the terms that we use might sometimes be confusing to new parents and campers. Here is a quick run down of our lingo:

Ark	Large open-air building where chapel and basketball is normally held (though not at the same time)
Banquet	There is no banquet 😊
Canteen	Snack shack near Lakeside where campers get food and drinks
Cashless Camp	The system where money is added into an account during registration to allow campers to purchase from the craft shack and canteen without carrying cash
Craft Shack	Bottom left room in the Ark with crafts
DK	David Kelly – one of the assistant directors of Super Week
Explorer Chapel	Split chapel service targeted at younger campers two night during Super Week
Gears	The Gears are our college-aged staff members. The Gears make camp happen. If it needs built or destroyed, the Gears do it
Gantt's View	Amphitheatre across the lake
Greyskull	SuperWeek Headquarters at the top of the Ark (off-limits to campers)
JD	JD Morris – one of the assistant directors of Super Week

Junior Camper	Camper age 12 and under
Lakeside	The shelter at the lake front with the firepit
PBC	Palmetto Bible Camp
Quartermaster	Bottom right room in the Ark with games and sports equipment
Reveille	Wake up time. There may or may not be a bugle involved.
Senior Camper	Camper age 13 and older
Stemy	Stephen Mynhier – Director of Super Week
SuperWeek	First Week at PBC
The Apartments	The other name for Cabins 6,7, and 8
The Hill	The upper part of camp that has cabins 11 and 12 and the staff trailer
Upper Room	Rooms in the top of the Ark. Open when the Quartermaster is open.

Sending letters or packages to campers

The address for camp (140 Fall Creek Road, Marietta, SC 29661) can also be used to send mail or packages to campers. Delivery can take a couple of days, so mail sent on Monday may not arrive until Wednesday. It's best to go ahead and send those first letters or care packages shortly before you bring your camper up on Sunday. Mail delivery to the campers is typically done during lunch when everyone is assembled in the dining hall. Sometimes, USPS does not run until after lunch so those letters and packages will not be delivered to your camper until the following day.

Visiting during camp

We invite you to come and visit your campers during the week. Upon arrival, please check-in at Greyskull so that we know you're onsite.

Saturday schedule (Picking up campers)

IMPORTANT:

Final assembly for SuperWeek will be Saturday morning at 10:00am.

Please arrive to pick up campers by this time. Following the 10:00am assembly and before leaving, make certain that you check out with your camper's cabin counselors so that we know your campers leaving are safely with you.
